SAMPOORNA SHIKSHA NEWSLETTER

**JANUARY 2026 - MARCH 2026 | ISSUE 9**

## BOOKS, TOYS & JOY: PROJECT KITAB KHILONA

**9 Toy & Book Libraries** set up across **5 states** impacting **5,000+ students** and **100+ teachers**, creating everyday access to play-based and literacy-rich learning.

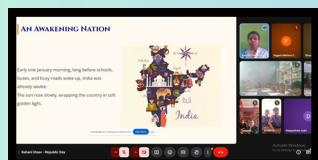

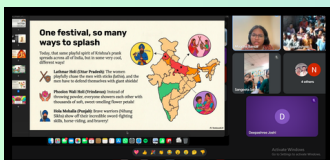

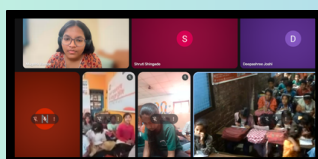

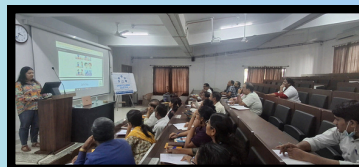

## PROJECT TECH PATHSHALA & E-SHIKSHA KITS

Through Project Tech Pathshala & E-Shiksha, we established **3 fully equipped computer labs** and **4 smartboards with content across 5 states** - enabling access to tech-driven, engaging learning environments for children.

## FINDING THE VOICE: SPOKEN ENGLISH PROGRAM

Through our Spoken English Program in collaboration with **Sewaconnect**, we empowered **45 non-teaching staff members** at **MGM Dental College & Hospital, Panvel** - enhancing everyday communication, confidence, and workplace interactions

## STORIES & ART AS LEARNING TOOLS

Through **Kahani Utsav** and **Kala Utsav** sessions this quarter, we reached **250+ children** across India - fostering creativity, cultural awareness, and values through storytelling and art-based learning. **community centres in rural India.**

## HAPPY PARIKSHA : FINDING CONFIDENCE

Through our **Happy Pariksha Kits** Initiative, we supported **1500+ students** across **schools and community centres** ensuring they walked into their board exams prepared, confident, and stress-free.

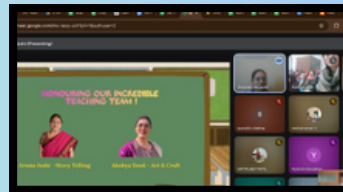

## SOCH KA PITARA : THINK, PLAY, GROW

Through our **Soch ka Pitara** initiative, we reached children across **17+ schools and organizations** in **7 States** - making learning joyful, interactive, and engaging through play-based activities and creative thinking tools.

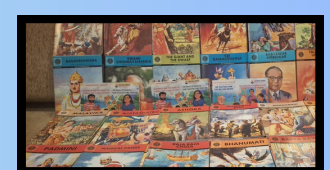

## WINTER CAMP : DISCOVERING NEW PASSIONS

Through our **3-month Online Winter Education Camp** in collaboration with **Borderless World Foundation**, we engaged **160+ students in Jammu**, supported by **20+ facilitators** and covering **8+ subjects**-ensuring uninterrupted learning and holistic development during the winter break.

## STEM ENQUIRY : FROM CURIOSITY TO CREATION

Through our **STEM** initiative, **10 students** from **Sanjeevan High School** showcased their project at **MuSo Spark - Festival of Innovation 2026**-demonstrating innovative, low-cost solutions for **"Prevention of Plastic Waste in Mangrove Forests."** while building confidence, sustainability awareness, and real-world problem-solving skills.

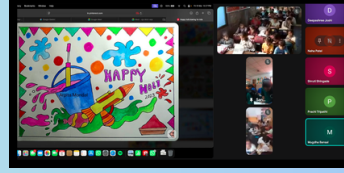

## GIVING THAT MET REAL NEEDS

Through our donation drives in collaboration with **TCS HOPE**, **Seva Sahayog**, partner NGOs, and individual donors, we reached **500+ children** across **Mumbai, Thane, and Bangalore**-spreading learning, joy, and meaningful community engagement with **Stationery & Toys**.

## CELEBRATION AT SAMPOORNA SHIKSHA

Through our community **celebrations** and **engagements** including **Republic Day school visits**, **International Women's Day appreciation**, and **Holi storytelling sessions** - we fostered joy, recognition, and meaningful connections among students, volunteers, and educators.

## RECOGNITION THAT BELONGS TO THE COMMUNITY

Our work was recognised through:

- FPJ Angels of Mumbai Awards
- Thane Vaibhav Recognition in collaboration with SewaConnect

Each recognition reflects the collective effort of our volunteers, partners, donors, educators, and supporters - driving meaningful impact in education.

This year reaffirmed what we believe deeply that meaningful education is **built through collaboration, consistency, and care.**

We're **grateful to every partner, donor, volunteer, and educator** who walked this journey with us.
